

Social Security

Today, Social Security is launching a new effort to get Americans to Boldly Go to www.socialsecurity.gov.

Entertainment icons George Takei and Patty Duke are teaming up to encourage baby boomers and people of all ages to use our online services to apply for retirement, disability, Medicare, and so much more.

As our Commissioner, Michael Astrue, has stated, “We now have a fun new way to get the word out.” Learn more about what George and Patty have to say in our press release: <http://www.ssa.gov/pressoffice/pr/boldlygo-pr.htm>.

Please share this exciting news with your members, colleagues, and other interested parties.

Thank you in advance for helping to promote Social Security’s online services!

Sincerely,
Aviva Sufian
Associate Commissioner for External Affairs
