2011 Project Love

A Holiday Meal, and so Much More Campaign.

A benefit for
 Fayette Senior Services
Meals On Wheels
it's more than just a meal

2011 Project Love A Holiday Meal, and so Much More Campaign.

For more than 30 years, Fayette Senior Services Meals On Wheels program has ensured that no senior in our community goes hungry, or is without the ability to have proper nutrition.

Each year, Fayette Senior Services, Inc., a non-profit 501.c.3 organization, delivers more than 40,000 meals to more than 250 homebound and semi-homebound older adults throughout Fayette County. Many suffer from health conditions that make preparing a hot, nutritious meal difficult. Good nutrition is essential to anyone's well-being, yet for many seniors who live on a limited source of income, maintaining a healthy diet is a challenge.

Meals On Wheels are delivered by a team of dedicated volunteers who truly deliver much more than a meal each week. Quite often, our volunteers also provide the only social contact a homebound senior may regularly receive. Each visit ensures the well-being of the Meals on Wheels recipient so they can continue to live independently in their own home.

"It is a relief to know that I don't have to worry each day about preparing a meal for me and my wife"

~Boston

"I'd have to skip a meal each day if it weren't for Meals on Wheels"

~ Martha

Project Love provides for additional holiday meals. While government funds help support our Meals on Wheels program Monday through Friday, these funds do not support holiday deliveries and therefore we must raise funds to make sure meals can be provided on these very special days throughout the year.

Your contribution to Project Love helps to purchase extra holiday meals for more than 250 Meals On Wheels recipients each year. Donations also provide doctor-prescribed Ensure® dietary supplements as well as additional "shelf-meals" — meals that do not need refrigeration to be kept on the shelf in the event of an emergency or for times that we are unable to deliver meals due to severe inclement weather.

For as little as \$10 you can help to ensure that no senior goes hungry or is without proper nutrition.

Individuals, families, businesses and churches can purchase holiday meal packs for as little as \$10. Each meal pack includes a variety of meals that meet the Recommended Dietary Allowance (RDA). We also offer meals that meet special dietary restrictions. Meal packs are oven/micro-wave-ready and delivered frozen so they may be used at a time best suited for each recipient.

A typical Meals on Wheels recipient receives an average of 260 weekly meals per year, not including holiday meals. With your help we can make a difference in the lives of our community's older adults by providing them with the comfort of having a good nutritious meal on holidays throughout the year.

Together we can ensure that no senior ever goes hungry because they are alone, have physical challenges, or lack the ability to provide proper nutrition for themselves.

"The meals help us to better care for each other"

~ Sara and her son Larry
