Fayette Senior Services, Inc., a 501 (c)(3) nonprofit organization, is accepting donations to purchase a new vehicle for their aging fleet. With the recent loss of one van, FSS is seeking to purchase a new van in order to continue to meet the transportation needs of seniors in need in Fayette County for crucial doctors' visits, dialysis appointments, pharmacy pickups, etc. on a daily basis.

Fayette Senior Services has already raised \$15,000 of the \$25,000 needed to purchase a new vehicle. To make a donation or to discuss sponsorship and advertising opportunities on the new van, please contact Morgan Lanier at mLANIER@fayss.org or 770-769-8430.
